What Anna's clients have to say

Otago Dec 2023

Anna went out of her way to secure the savings I needed to make following an increase in my mortgage rate.

I have always felt that the insurance brokers I have dealt with at Rothbury, and especially Anna Mathews have gone above and beyond in taking the time and care in assuring I have the best possible coverage and make sure I have all of the information and understand it all, as well as being really good at following up with me, especially when I have dropped the ball. Probably the only insurance I have ever been happy with. Anna deserves some kind of accolades, award or raise for sure... this is the main reason as to why I have taken the time to do this survey.
