We have been Rothbury clients for very many years. The services we receive have always been timely and relevant. This is still the case, and we appreciate it.

Caroline joined the insurance industry in 2007 and started with Rothbury in 2021. Her career in the industry to date has seen her take on various roles. She will primarily work with Domestic clients and is keen to build strong relationships through transparent communication and finding suitable solutions to mitigate risk. She is currently working towards her Level 5 Certificate in Financial services.

Previously a hairdresser, before she started in the Insurance world. She is a bit of a yogi and particularly enjoys hot yoga. For Caroline Auckland is a place that there is always something to see and do - from weekend markets, art galleries, beautiful beaches, walking tracks... the list continues. Travel, spending time with her family and weekend road trips are also highlights of her downtime.
