Great service and great communication. The extra mile to get what we needed, comprehensively

Fiona joined the insurance industry in 1993 and started with Rothbury in 2012. Having previously worked as the National Commercial Broker Support Manager for Rothbury, Fiona has a well-rounded understanding of the industry. She is very client focused, providing her clients with friendly and timely service which often exceeds their expectations.

Fiona is creative and crafty, and has just mastered the art of sewing homemade facemasks which is coming in handy in our current environment. She also enjoys hunting for delicious recipes that she can make for her husband and kids.
