I find Garth and his team excellent to deal with. Nothing is too much trouble and their communication is fast and efficient. They also look for the most efficient options for us. Totally recommend.

The service is always prompt and spot on. It always amazes me how the broker and the support staff seem to know exactly who I am when I call with a query. Great service.

Garth was very prompt with his response time and was able to get a quote to me within a day or two. Compared to the other companies I had reached out to he was the only person who responded within 3 days of submitting my inquiry. He was friendly understanding and easy to talk to over the phone and via email. Thank you.
