I always feel Greg is looking out for me above and beyond the usual business relationship.

Greg joined the insurance industry in 1991 and started with Rothbury in 2003. In his dual role as Canterbury Branch Manager and National Projects Manager, Greg specialises in construction, transport, property and Liability Insurance. He has a varied portfolio of medium to large business clients and is passionate about understanding his clients' requirements and tailoring solutions to meet their needs.

Greg values the scenery and outdoor activities that his local community affords, including the amazing beaches and great ski areas. He spends his spare time with family, catching up with friends and taking walks along the beach. He's also involved with his local church and runs a business group.
