Guy is extremely knowledgeable and made us feel at ease when choosing insurance. Would recommend.

Guy joined the insurance industry in 1997 and started with Rothbury in 2012. Guy is very experienced and sees insurance through the lens of his clients. His expert knowledge and understanding of all things insurance means he knows how to translate requirements to Insurers and get the best solutions for his clients. His key specialist areas include: Construction, Engineering and Property along with Heavy Motor and Financial Lines Liability.

To the delight of family and friends, Guy likes to wake up at 5am which gives him plenty of time to go biking and skiing. The peaceful mountains and the bustle of the streets are just some of the reasons why he loves living in Queenstown. Guy is also a qualified Ocean Yachtmaster holding a Yachtmaster Ocean certificate, the highest qualification available in the RYA scheme.
