over the time I have had my insurance with Hamish it has been easy to negotiate claims and talk to Hamish about any problems that may have come up and he has managed to reduce my vehicle premium this year so overall it has been very good.

Hamish joined the insurance industry in 1997 and started with Rothbury in 2002. Having worked in a variety of roles within insurance, Hamish has a broad understanding of policies and wording. He works primarily with small to medium sized businesses, specialising in commercial property ownership. Hamish strives to offer a high level service to his many clients.

Hamish looks forward to evening walks along the beach with his family and their two border collies. His son plays junior rugby and he has loved being a supporter and parent helper. Hamish is a great cook; his specialties are curries and Asian-inspired salads.
