What James's clients have to say

Capital City Aug 2023

Minimal contact which is what I like... no time wasting.
Meeting scheduled by broker, turned up on time and
told me what I needed to know. See you next year.

Thanks James - easy yet again :-)

James joined the insurance industry in 2015 and started with Rothbury in 2019. He always has the clients best interest at heart, taking the time and effort to understand every problem and work to get the best possible insurance solution. Having worked with Rothbury as a broker support for some time, James is most proud of the great relationships he has built with insurers. He always provides quality service and advice and strives to take all insurance hassles away from the client.

James is a two-time national champion coach for underwater hockey and he coaches the rep hockey team too. To unwind, he likes a game of cricket or going out for dinner with friends to one of the many delicious local restaurants.
