They were extremely helpful - could not improve their systems in this instance.

Jill joined the insurance industry in 1983 and started with Rothbury in 2001. She prides herself on providing excellent service that is always personalised and thoughtful. Jill finds it fulfilling being able to support clients when they lodge a claim and helps take some of their stress away by getting them the best possible outcome.

Jill enjoys the peacefulness of the country, soaking up the bird songs and lovely views that surround her home. She's an ex Primary School Teacher which comes in handy when she visits her grandchildren.
