Joe is exactly what I need for a broker. Super lovely and always able to help. He is also really quick at getting back to us getting things done. I recommend him to all my friends!

Joe joined the insurance industry in 1991 and started with Rothbury in 2013. With a focus on creating happy clients, Joe always goes the extra mile. Whether that's liaising with lawyers and real estate agents or using his extensive knowledge to get more challenging situations over the line, Joe prides himself on working alongside his clients and keeping them informed every step of the way.

Joe loves running, and at 50, can still run 10km in under 34 minutes. Nowadays he can often be found coaching for middle and long distance at National level. Joe is a certified viticulturist and has made over 30,000 bottles of wine, so he's quite the connoisseur and looks forward to a glass of vino in the evening.
