Capital City Aug 2022

Kelly and Steve work very hard to ensure we're getting the best insurance available in the market each year. I have recommended them to many people and will continue to do so.

Kelly explained other options and why she would not recommend them. Her actions gave me confidence in her work.

Clear communication and quick responses. I felt valued.

Kelly joined the insurance industry in 2007 and started with Rothbury in 2015. She works closely with her Broker to manage a large book of clients in both Commercial and Domestic Insurance. Kelly always works hard for her clients and is dedicated to providing them with quality insurance advice, service and support.

Wellington is the perfect location for Kelly's ideal weekend, whether its lunch at a delicious caf , a trail walk, seeing one of her favourite bands in concert, or using her superb memory to take part in a pub quiz. She adores corgis and aspires to own two of them as soon as she has a house big enough.
