I do not need to put any time on insurance issues, my broker Kelvin always thinks further and reminds me what to do next.

Kelvin joined the insurance industry in 2012 and started with Rothbury in 2019. His underwriting experience is used to help his clients gain a better understanding of their risk exposure and the insurance solutions they need. Kelvin works hard to build strong client relationships and prides himself on his service.

On the weekends he enjoys spending time with his son visiting local Auckland parks. A hobby pianist on his spare time, he has achieved a Grade 5 in and Grade 6 in Piano Practical and theory.
