Kelvin has been our broker for years. We love that he understands where we are at and knows his job really well so can tailor our package accordingly. Good company and keeps us informed of what is happening with Rothbury. So very lucky to be treated very well.

Kelvin joined the insurance industry in 1994 and started with Rothbury in 2006. Having worked in the freezing and stock and station industries, Kelvin's first-hand experience means he's become an expert in Rural Insurance. His expert knowledge enables him to provide sound advice and favourable risk solutions. He prides himself on building strong, long-standing relationships with all his clients.
