Great communication, and an excellent understanding of the policy pertaining to my business. Highly recommend it to new and existing Rothbury clients. Thanks, Kyle.

Very personable and understood our needs first then provided appropriate detail based on that, rather than just telling me lots of detail.

I continue to be impressed with the service I receive from Kyle and the team. We were presented with a range of options, clear explanations, and advice that was in our best interests. I am happy to recommend Kyle to anybody and I have referred a few people to him.

Rothbury have been great with support, with myself and my clients.

Kyle joined the insurance industry in 2014 and started with Rothbury in 2017. Having worked in both Underwriting and Broking, he understands the inner workings of insurance and the market. Kyle prides himself on exceptional client service and quick turnaround times. His focus is on truly understanding his clients' businesses and tailoring insurance solutions to mitigate their risks. Kyle has an extensive book of clients that he genuinely cares about and he enjoys watching their businesses grow and succeed.

Most weekends Kyle can be found up in the mountains or travelling. He loves Queenstown because of the great opportunities to ski, bike & go hiking, all in the same day! Kyle helps out at the local ski lodge in the winter months and likes to catch up with friends for regular potluck dinners.
