What Luca's clients have to say

Wellington Mar 2024

Luca has been awesome and I trust him 100%. He arranged the PI & PL insurance for our business.

Wellington Feb 2024

Luca is too easy to deal with. I can flick a text or a call and he will have everything in place promptly.

Wellington Nov 2023

The service i receive from Luca is outstanding. He is always prompt at getting back to me with any queries or issues i have. He is approachable and professional. He always goes above and beyond what is required from him. Luca shows a genuine interest in my business and has familiarised himself with the industry i work in so as to have a better understanding of it and the relevance in regards to the complex claims i lodge every so often. Luca is a true asset to Rothbury

efficient, easy and informative

Wellington Oct 2023

I always recommend Rothbury to all my business friends as Luca and Carole have always been there for me no matter what happens. Thank you to all the Rothbury team.

Luca joined the insurance industry in 2008 and started with Rothbury in 2020. He specialises in professional and technical services which he backs up with extensive product knowledge. Luca regularly keeps up-to-date on the wider industry challenges and how these relate to his clients' businesses in order to provide the most effective advice, service and products to exceed his clients' expectations. For Luca, thinking about insurance and how we can help our clients leverage it to get better outcomes both in business and life is what makes the role of a trusted advisor such a rewarding one. He loves hearing about other's stories; how did you get to where you are, and what can he do to make things easier?

Half Italian, Luca was born here but went to school in his father's home town of Genoa, a beautiful city on Italy's north-western coast. Wellington makes a great second home for him with its vibrant, coastal atmosphere and numerous events. He's a cooking enthusiast and has picked up many tips and tricks from his mum. Being Italian, he also likes to play soccer whenever he can.
