What Maree's clients have to say

Hawke's Bay Oct 2023

Having never made a claim before & coming from the city to the regions I am overwhelmed by the wonderful personnel service I have received from Rothburys. My Broker Zac Merrylees visits me at home & Maree Murphy is there to make things right & easier for a novice client. I appreciate greatly their understanding, attention to detail, knowledge & patience with a recent car claim. Keep up the wonderful work.
