Great communication

Maria has been working in the insurance industry since 1998 and has gained extensive experience over the years. In 2019, she joined Rothbury, and works as a Commercial Insurance Broker. Maria is certified in Financial Services (Level 5) and Business First Line Management. As seasoned insurance professional, Maria has a deep understanding of the industry, including different policies, coverage options, and risk management strategies. She uses this knowledge and experience to provide her clients with tailored insurance solutions that meet their unique needs. Maria specializes in looking after small and medium-sized businesses (SMEs) locally and in the northern region. She has a can-do attitude and is always willing to go above and beyond for her clients. Her strong relationships with her clients have helped her understand their business needs and provide them with the best insurance advice.

Northland's natural beauty, especially its beaches and the sense of community is why Maria loves living here. She gets out on the water to kayak as often as she can but also likes to relax with family and friends, often catching up over a meal.
