Mark has been fantastic since we started . Contactable at any time , always follows up and easy to deal with . We highly recommend Mark .

Mark joined the insurance industry in 2011 and started with Rothbury in 2022. For over 24 years and serving in various client facing roles, he has been helping to deliver clever solutions to people and businesses. Mark loves the complexity of insurance and insurance industry itself, and equally, being able to uncomplicate it for others. His clients and colleagues can trust that he is easy to contact, reliable, current in his knowledge, and has a broad work history to call upon.

When he is out of office, Mark can be found spending time with his family, trading penny stocks, coding apps and catching movies. A strong advocate for the area, he loves that he lives just two hours away from some great locations and places to visit.
