Mona was very approachable, responsive, and engaged in our discussions and inquiries. We are happy to have her as our point of contact.

Mona started in the insurance industry in 2015 and started with Rothbury in 2022. She is always excited to work with a range of clients, and offer a bespoke insurance solution for each individual. Mona prides herself on her ability to multitask and her time management skills.

When she's not in the office, Mona is a sucker for the city madness. You can usually find her wandering the beaches, restaurants and all that the city has to offer (Minus the traffic of course)! Mona also loves downtime, binge watching TV shows and shopping with her little one.
