Becky is unbelievably responsive. I don't think I've ever had to wait more than 24 hours for the answers to my questions.

The service received from Rebecca is really good. She arranged our insurance within the last day of the Christmas break and explained everything in detail and offered her service beyond closing hours.

Amazing to work with, actions all our requests very quickly.

Great communication and a good, clear explanation of documents, with sorted extras added to the standard policy, made me feel well looked after. Pricing was reasonable and the system for handling documents and payment was so simple.
