We expanded our use of Rothbury when we got annoyed with our bank. It is one of the better decisions we have made LOL. Robert is excellent - knowledgeable, proactive, approachable, and can explain insurance concepts in straightforward terms. We appreciate that Robert is "our agent" to deal with the insurance companies. I also like the app.

Robert joined the insurance industry in 2004 and started with Rothbury in 2020. He has extensive knowledge of the insurance industry, in particular Domestic Insurance. Robert is adept at creating insurance solutions to meet his clients' needs. With a background in tourism and hospitality, Robert understands the importance of professionalism and maintaining strong client relationships. He is exceptionally client focused and enjoys the challenges and variety his role brings on a daily basis.

Robert often spends weekends soaking up the world-class scenery of the Dunedin region or nearby Southland and Central Otago. He likes to go hiking or mountain biking with friends and family.
