Very good and friendly service and very professional

Rod joined the insurance industry in 1986 and started with Rothbury in 2002. He looks after a range of clients across different industries, and enjoys building relationships with his clients. He works hard to ensure he fully understands his clients' business in order to tailor the right insurance package to protect their interests. Rod successfully developed two popular Insurance Schemes specifically designed for the needs of photographers and Non for Profits.

Having a great work-life balance is easy in Otago and Rod is happy to trade big commutes for more recreational time, making the most of this beautiful region.
