North Harbour Oct 2023

Ruth is incredible, she understands our business and continually seeks out the best possible cover for us. We can ring or email any time and she gets back to us straight away. We couldn't ask for a better Insurance agent.

North Harbour Oct 2023

As usual, Ruth did her very best to get us a good deal and we could not fault her professionalism.

North Harbour Oct 2023

Very easy to deal with. Initial insurance renewals sent out then we advised adjustments we wanted.

Ruth joined the insurance industry in 1983 and started with Rothbury in 2021. Ruth works with a wide range of commercial and domestic clients with a large number of them being Rural Contractors and clients with large motor fleets. A highlight of her role is getting to meet a variety of people in their own environments. She is motivated to always put the interest of the client first and integrity is particularly important to her in all of her interactions.

Her hobbies range from creating beautiful things in her craft room, to boxing and exploring with her partner on their Harley motorcycle. Their Staffy affectionately named Harley - safely and securely strapped in also joins them on rides. The beach, local cafes and having her family close by are the highlights of her location.
