Sheila joined Rothbury in 2006 and has been a member of the Executive Leadership Team since 2014. She has over 20 years' experience in Information Technology and Project Management and heads up our IT infrastructure, systems and services.

Sheila is responsible for enabling Rothbury's digital and strategic capabilities across the business, including the ongoing development of our core broking system, Swift.

Sheila oversees a diverse range of projects, including systems development, process re-engineering, product selection and IT outsourcing, to provide an innovative, robust information management capability for our business.
