The service that my client (a body corporate) received was exceptional.

Sheldon joined the insurance industry in 2005 and started with Rothbury in 2021. He joined the Specialty Risks team to build a niche automotive scheme in collaboration with one of our industry partners. Sheldon has extensive experience in the automotive sector and offers his clients sound advice and robust risk solutions that are specifically tailored to their needs.

Sheldon looks forward to heading outdoors after a busy day and loves golf, fishing, rugby and mountain biking. The North Shore is the perfect home for him with its great courses, amazing trails and beautiful beaches.
