What Wayne's clients have to say

Wayne is knowledgeable, responsive, and very easy to work with - I have confidence in him.

I had a lot of questions and concerns about our recent internal Building Replacement Valuation, which raised the insurance cost greatly. I wanted to explore a variety of options and to review them with my Board. Wayne and his colleague, Liam Winn, diligently researched and presented my options until we could make the final policy decision. Well done team!!

It was all nice and easy with a call and then communication via email. Everything was completed or sent to me in a timely manner and as promised.

Wayne was so helpful, polite and professional. I appreciated the follow up emails and personal touch.

Wayne, a proud local of Whangārei, has been a part of the insurance industry since 1999 and an integral member of the Rothbury team since 2015 as Senior Commercial Broker. When Wayne isn't in the office, you can find him cheering from the side-lines or on the couch for his favourite sports teams. However, he's not just a spectator, as he also plays rugby and has recently taken up golf after many years off the green. Wayne values quality time with his family and makes sure to balance his passion for sports with family time.
