Chantel started in the insurance industry in 2024, first joining our Rothbury Graduate program and quickly progressing on to a Commercial Broker Support position. Chantel prides herself on her great attention to detail along with her strong problem solving and time management skills. She has completed her Level 5 Certificate in Financial Advice and enjoys building lasting relationships with both colleagues and clients. Chantel will go the extra mile to ensure that clients have a bespoke insurance solution that works perfectly for their individual needs.

When she's away from work, Chantel can usually be found at the gym or café & restaurant hopping round Auckland city. A self-professed foodie, she loves trying out new recipes and is always baking or cooking up a treat in the kitchen. Chantel graduated with a degree in Neuroscience and is also fluent in Filipino!
