Her service was great. I would recommend her to everyone. She ensured that we understood everything and guided us on what else we could do, especially since we are a small business just starting. She ensured we got the right insurance, and for that, we are grateful for meeting her.

We tend to contact the brokers in advance of them contacting us; however, that is because it's Body Corporate and we work in advance of when Brokers would normally contact owners. Fiona is always helpful, and quotes are presented well and on time.
