Rothbury do answer questions in a timely manner and I believe they do try and help with a bestfit policy for us as a business.

Garth joined the insurance industry in 2000 and started with Rothbury in, 2010. He has a diverse range of clients, from large international publicly listed companies, to small to medium enterprises. Garth provides specialised service to the Not-for-Profit sector for a number of large national organisations. He draws on his extensive insurance experience and time spent in the private sector to provide specialist support and added value to his clients.

When Garth isn't working he can be found landscaping his property, gardening or doing a spot of fishing. Garth is also an unreserved petrol head with a particular love for hot rods and old muscle cars. He's also a cooking enthusiast and loves to experiment, particularly with the BBQ/Smoker.
