### What Haidee's clients have to say

Rotorua Aug 2025

I have been very impressed with the Rothbury experience and feel genuinely supported. During a difficult period when I had to make a claim under my professional indemnity insurance, I found it challenging to process how the situation affected me personally. The Rothbury team was exceptionally reassuring and approachable throughout. At no stage did they make me feel uncomfortable or judged, and their support made a real difference.

Excellent, thorough advice given. Extremely happy with how everything was dealt with.
