Hannah was exceptional in her communications with me, and our claim was resolved quickly. The assessor appointed was also helpful with regard to explaining what could be claimed under the policy held.

All my contacts with Rothbury have been good. Always explain things well so I get the best advice on my insurance needs. Thank you.

Hannah started both in the insurance industry and with Rothbury in 2023. She is empathetic, friendly and a great team player who prides herself on her ability to be a great listener. She enjoys engaging with local customers, sorting out claims in a timely efficient manner and is enthusiastic about gaining valuable knowledge about the insurance industry. Hannah will specialise in claims for Te Kuiti clients and will help the Hamilton branch.

When she is away from the office, Hannah can usually be found spending time with her young family and running their small farm in the King Country. She also loves to get involved with her kids' sports, local social netball team and the local Piopio pony club. Hannah enjoys the King Country/Waikato region for the loyalty of its small-town customers, she is looking forward to getting to know her clients on a personal and business level.. A fun fact about Hannah is that she is a qualified Rural Animal Veterinary Technician!
