What Hayley's clients have to say

Tauranga Mar 2026

Hayley was recommended to me by the listing agent from whom I purchased the property. It was an interesting scenario with some time pressure involved, and it was resolved very professionally with a minimum of drama.

As always, great and practical communication. Keeping policy with existing insurer due to pending claim; makes complete sense.

Awesome service by Hayley. She was professional, explained things that we were unsure of and provided reassurance to us that we could register a bid at an upcoming auction for a property even though it did not have a CoC for the main building.

Hayley was compassionate as I was in the middle of a stressful time. She was very efficient about renewing my cover and wished me all the best. I appreciated her professional but warm manner.
