Jono is a great broker, very pragmatic and personable. I was very late to confirm details with Jono, but he made sure everything was tidy behind the scenes. Excellent service.

Jono was an excellent communicator and got everything sorted within a short period. Easy to deal with and a professional approach. Very happy with the service, as we managed to obtain the required cover.

Rothbury has been great over the years, and Jono is a very good representative/broker for Rothbury. I have sold my business to a larger company, and Jono took me through the insurance process, which was great.

Jono joined the insurance industry in 2015 and started with Rothbury in 2021. With a background in providing insurance for Civil Construction and all trades, Jono always looks forward to the challenge of diversifying the types of products he offers in his role. With a keen ear, Jono listens to his clients' particular needs and offers service based on these. He holds a Bachelor of Commerce degree and a Level 5 NZ Certificate in Financial Services.
