Josie started in the insurance industry in 2022 and also started with Rothbury in 2022. She strives to deliver a high quality client experience, offering empathy and support in the process. Josie has strong organisation and communication skills and is looking forward to interacting with different people from all backgrounds.

Out of the office, Josie enjoys activities like hiking, skiing and diving. An adventurer at heart, Josie has been diving with Great White Sharks and has camped on the Great Wall of China! She loves to socialise and create artwork in her free time. Josie is also a member of the Otago Dive Club and attends the Wakatipu Pottery Club (self-confessed not very good but God loves a trier)!
