Rothbury's and Kane make the process of insuring all our belongings so much easier. We know that if we need help or need to make a claim there is someone who will help us through the process. Thank you.

Met with Kane last year, nice Chap! Contacted me by email, and when I hadn't replied, he gave me a call to follow up. A pleasure to deal with, he couldn't have made the process easier!

Kane started in the insurance industry in 2010 and started with Rothbury in 2022. Kane really values making real and lasting connections with both clients and colleagues. He is practical, compassionate and calm under pressure.

When he's away from the office, Kane can be found Photo editing, spending time with his family and two cats or watching the latest sports game. Being so close to so much beautiful nature, he also loves to get involved in hiking. Kane is a music lover and previously ran his own online menswear and web design business!
