My experience dealing with Rothbury's brokers over the years has always been a pleasant one. They have all been professional, friendly and helpful.

Kellyanne started in the insurance industry in 2007 and started with Rothbury in 2022. She is a specialist Claims Advisor for Domestic and Commercial Clients. Kellyanne is extremely dependable, and understands the importance of empathy and customer experience during claim time. She prides herself on her ability to support clients through a vulnerable time and to manage multiple responsibilities with ease.

When she's away from the office, Kellyanne can be found out on an adventure camping in her retro campervan! She loves the strong community spirit in and around Pukekohe and enjoys being close to her extended family. Kellyanne gets involved in Patumahoe School events and Patumahoe Junior Rugby Club & Social Touch team. Always the optimist, she has a love for tactile creativity of any kind.
