Kelvin is professional and has good attention to detail. He explained the insurance to us, sent and called us about the insurance renewal. He was quick and responded to any questions we had. Would highly recommend Kelvin.

Hello. Kelvin is a great communicator and problem solver, because our building is under a unit title and needs constant feedback with our neighbour. Kelvin has worked tirelessly to pass on important information and feedback between us. He also took responsibility when there was a problem or difficulty. He is a great example of excellent customer service. Thank you, Kelvin!
