I'm a long-standing customer, and I find my broker to be excellent. He's understanding, available, and helpful.

Kenneth started in the industry in 1998 in the mortgage sector, and joined Rothbury in 2024. He has a wide range of knowledge in Mortgage Redemption Insurance, Fire Insurance and businesses. Kenneth is resilient to change and prides himself on always being on top of things and his ability to manage expectations clearly. He is great at conflict resolution and will always strive to find the best solution to accommodate the needs of his clients. Kenneth believes that trust is very important and is always open and honest when building relationships with his clients.

When he's away from work, Kenneth enjoys spending time with his friends and looking for something new to learn. He likes the Wellington region for it's awesome scenery and it's great (and polite!) people. Kenneth is Chinese but was born and raised in the Philippines. He is a self-professed child at heart and enjoys the simple things in life!
