What Kyle's clients have to say

Canterbury Dec 2025

I was very pleased with Kyle. This was my first time dealing with him. I did not know him personally, as he's in Christchurch and I'm in Wellington. We communicated via email and spoke on the phone. Despite not meeting him in person, I was reassured by his advice and felt confident that he was providing the right guidance.

Canterbury Nov 2025

Kyle answered all my questions and gave comprehensive answers.

Canterbury Oct 2025

Kyle was very knowledgeable and willing to go out of his way to help us with our needs. He was patient, flexible, and had clear communication, which helped us feel comfortable throughout the process.

Canterbury Oct 2025

Kyle is excellent to deal with and works hard on our behalf to get the best deals and coverage for our needs. He is quick to respond, very helpful and friendly, and incredibly knowledgeable. We trust his advice and would recommend him to anyone.

My company has unique needs which my broker was attentive to.

Kyle entered the insurance industry in 2014 and has been part of the Rothbury team since 2017. With experience in both Underwriting and Broking, he brings a well-rounded understanding of the insurance landscape. Kyle is known for his responsive service and commitment to delivering tailored insurance solutions that truly align with his clients' needs. He takes pride in building strong relationships and supporting a wide range of clients as their businesses grow and evolve.

Based in Christchurch, Kyle spends most weekends exploring the South Island's outdoors. He's often in the mountains skiing, biking, or hiking, sometimes all in one day. He's the Treasurer of his local ski club and the Chairperson of his local body corporate, roles that reflect his strong sense of community and willingness to take on responsibility both professionally and personally.
