Auckland Aug 2025

Part of a larger group, so no direct contact with Rothbury, but I am happy with the result and was kept informed.

Auckland Jun 2025

Knowledgeable and professional, but also genuinely easy to talk to. I always feel like she's on my side, and makes sure I'm properly covered without overcomplicating things - I'd recommend Lauren to anyone looking for a reliable and thoughtful broker

Lauren started in the insurance industry in 2020 and joined Rothbury in 2024. She is particularly interested in complex liability risks and in working with not for profits and associations, although one of her favourite things about insurance is the variety – so she always loves learning about new clients and industries! She has a focus on high-quality service and forming strong relationships with her clients, and prides herself on her problem-solving skills and great attention to detail. Lauren holds a Bachelors of Commerce in Commercial Law and is qualified for Financial Services in Fire & General Insurance, Life & Health insurance as well as Investments.

Out of the office, Lauren is usually out enjoying nature, in the kitchen cooking and baking up a storm, or going to live music gigs. She moved back to Auckland for her role at Rothbury and is excited to be back in the hustle and bustle of the city, and is looking forward to exploring further.
