### What Leon's clients have to say

Tauranga May 2025

Very friendly and extremely helpful.

Leon has been so helpful. We haven't had a broker visit us in 10 years so it was so helpful to explain to Leon our business and get his input on the best insurance for us now.

Tauranga May 2025

I contacted Rothbury as we need our Public Liability certificates to be always current to access our Clients' sites. Leon responded quickly and was very helpful (especially during our workshop shift, so everything needed to be updated to the new address and requirements). Leon always made it a simple process - thank you!

Leon began his insurance career in 1996 and joined Rothbury in 2024. Specialising in Commercial Clients, he values building genuine connections and delivering tailored insurance solutions.
