What Liam's clients have to say

Northland Feb 2026

Liam was an absolute superstar. His knowledge was clear, and his recommendations were fantastic. He put quite technical information into simple terms for me to understand. Very helpful. Have recommended him to multiple people.

The service I've received has been excellent. Really quick communication and definitely a more personalised approach than other insurers I have used.

Working with Liam and the team at Rothburys is always a pleasure. There are no surprises when our insurance needs to be renewed. We know we can trust Liam to do the necessary research & ensure we have the right policy at the right price. Rothbury Insurance Brokers and, in particular, Liam are great to work with. Liam is patient; he listens, notes any changes that have happened over the following year between the personal and professional entities. And then updates our policies accordingly. I would highly recommend Liam and the team to anyone. Keep up the good work.
