Liam is very trustworthy and thorough, and I would have no problem recommending him to family or friends.

I like that he is based in this town, that I can speak to him face to face in an office (not online) and that he will be contactable by phone quickly.

I'm incredibly impressed with the outstanding service and support I've received from Liam. From day one, he has gone above and beyond to ensure we have the right coverage tailored to our needs. I feel well looked after and confident that our insurance needs are in the best hands. I highly recommend Liam to anyone looking for a broker who truly delivers on both service and results.
