Lilian Tubb has been working in the financial industry since 2016 and joined Rothbury in 2025. She brings a strong background in customer service, banking, and relationship management. Deeply passionate about people, she thrives on helping clients feel confident and supported when navigating their financial needs.

Lilian is currently working towards her Level 5 Certificate in General Insurance, adding to her Bachelor's in Science and Master's degree in Marketing. A lifelong learner, she is dedicated to continuous education and personal development, believing that staying curious and open to growth is key to delivering the best service possible.

Outside of work, Lilian enjoys spending time with her family in beautiful Wānaka. She can often be found watching her boys perform in their bands, attending local gigs, playing tennis, practicing yoga, and walking the family's black Labrador, Evie, along the lake.
