What Luca's clients have to say

Wellington Oct 2025

I would be surprised if there was a better broker in New Zealand.

Wellington Oct 2025

I consider that Luca provides us with appropriate insurance cover at a cost we can manage as a tiny non-profit. Mel Amitrano is great to deal with as well.

Wellington Sept 2025

Luca was fantastic to deal with.

Wellington Sept 2025

Very pleased to see a large reduction in premiums this year, no doubt possible in large part due to the skills and professionalism of Luca.

Good service from Luca. He does well to manage our insurance needs and present cost competitive premiums. We are pleased to have him as our broker.

Luca joined the insurance industry in 2008 and started with Rothbury in 2020. He specialises in professional and technical services which he backs up with extensive product knowledge. Luca regularly keeps up-to-date on the wider industry challenges and how these relate to his clients' businesses in order to provide the most effective advice, service and products to exceed his clients' expectations. For Luca, thinking about insurance and how we can help our clients leverage it to get better outcomes both in business and life is what makes the role of a trusted advisor such a rewarding one. He loves hearing about other's stories; how did you get to where you are, and what can he do to make things easier?

Half Italian, Luca was born here but went to school in his father's home town of Genoa, a beautiful city on Italy's north-western coast. Wellington makes a great second home for him with its vibrant, coastal atmosphere and numerous events. He's a cooking enthusiast and has picked up

many tips and tricks from his mum. Being Italian, he also likes to play soccer whenever he can.
