They were very patient while we negotiated an extremely busy period that left little time for the insurance review before the renewal date.

Working with Luca Biuso has been absolutely incredible – and I truly believe he's an asset to Rothbury. I cannot recommend him enough, and frequently do to my friends/family/colleagues in business. He's provided us with clear and considered options, advocated for us, and his relationship management is excellent. I always look forward to meeting with Luca and hearing his insights.

Prompt service and a good deal, considering we are a small client.

Luca joined the insurance industry in 2008 and started with Rothbury in 2020. He specialises in professional and technical services which he backs up with extensive product knowledge. Luca regularly keeps up-to-date on the wider industry challenges and how these relate to his clients' businesses in order to provide the most effective advice, service and products to exceed his clients' expectations. For Luca, thinking about insurance and how we can help our clients leverage it to get better outcomes both in business and life is what makes the role of a trusted advisor such a rewarding one. He loves hearing about other's stories; how did you get to where you are, and what can he do to make things easier?

Half Italian, Luca was born here but went to school in his father's home town of Genoa, a beautiful city on Italy's north-western coast. Wellington makes a great second home for him with its vibrant, coastal atmosphere and numerous events. He's a cooking enthusiast and has picked up

many tips and tricks from his mum. Being Italian, he also likes to play soccer whenever he can.
