Wellington Jan 2026

Extremely knowledgeable of the building industry requirements, especially as I am new to business, and he explained exactly what I was looking for with examples, no nonsense and clean cut.

Matthew Keane has been outstanding to work with. He's professional, proactive, and genuinely takes the time to understand our needs. Communication is clear, timely, and reassuring, and his follow-through is second to none. The service from Rothbury, and from Matthew in particular, feels like a true partnership rather than a transaction. I have complete confidence in his advice and wouldn't hesitate to recommend him.

Matthew joined the insurance industry in 2006 and started with Rothbury in 2022. With a wide range of previous experience, he specialises in working with commercial clients, particularly tradies. Building a rapport with clients is something Matthew strives to do, making sure each client receives outstanding service and a bespoke insurance solution.

When away from the office, Matthew can be found watching his daughters Hockey games. He is also fluent in sign language, as a number of his family members are deaf.
