Matthew joined the insurance industry in 2006 and started with Rothbury in 2022. With a wide range of previous experience, he specialises in working with commercial clients, particularly tradies. Building a rapport with clients is something Matthew strives to do, making sure each client receives outstanding service and a bespoke insurance solution.

When away from the office, Matthew can be found watching his daughters Hockey games. He is also fluent in sign language, as a number of his family members are deaf.

What Matthew's clients have to say

Wellington Jul 2025

Matt is very approachable and always ready to help with any queries or updates to our policies.

Our service from Matthew has always been very reliable. He always looks at the best outcome for us. We have enjoyed a good relationship with him over many years.

Service was on point, Matt was extremely easy to deal with, he answered all my questions and phone calls, and provided examples and in-depth information on specific examples of when to claim and when to call him. Matt even responded on a public holiday (even though I didn't expect him to). He is someone who is there for his clients, has their best interests at heart, and someone who wants to help the small businesses too. I would consider him a friend as opposed to just our insurance broker; he has gone above and beyond on so many levels, and we have had some great chats whilst sorting out insurance. Couldn't recommend him enough to anyone!

I tell them what I need, and it's done. I'm not wading through paperwork.
