What Mel's clients have to say

Canterbury Nov 2025

I regularly breathe a sigh of relief that we are with Rothbury; we have only ever received excellent and quick service from them, and they have consistently impressed me. We have good cover, there is always great advice when it comes to renewing our policies, and the claims staff are terrific. Mel has always done a flawless job for us.

The service and advice were great.

It felt like Mel went beyond my expectations of what someone would do when we were in a difficult predicament, given that a stolen car had crashed into us. The police were not very helpful, and we only had third-party insurance. We really appreciate the effort that she put in on our behalf. I think she's an exceptional asset to you at Rothbury.
