Melanie was fantastic to deal with. Very professional and great communication.

Melanie joined the insurance industry in 2007 and started with Rothbury in 2017. She enjoys supporting her Broker and building strong relationships with their clients. Melanie and her Broker work together to understand their clients' needs and provide tailored risk solutions. Melanie consistently delivers excellent client service in a friendly and timely manner.

Melanie is very involved with her kids sports and activities and is on the school committee. She's not afraid to give things a go outside her comfort zone and at the end of a long day likes to mix up a cocktail. She finds that the best thing about living in her community is being close to Lake Tekapo and the family likes to go boating in summer and skiing in the winter.
